

Chapter 11 | Special Sections of the Trefoil Guild

The Communities Guild

The Travellers' Guild

The Communities Guild

The Communities Guild was formed in 1954 for members of religious communities. Their particular service to guiding worldwide is through prayer. Communities Guild members very much appreciate being able to support guiding in this way.

An intercession leaflet, containing specific items for thanksgiving and prayer, is circulated three times a year to members of the Communities Guild, together with a copy of *The Trefoil*.

If you have any prayer requests for guiding events or people, or wish to receive further information about the Communities Guild, please contact the Communities Guild Secretary through the Trefoil Guild Office. In communities where rules forbid membership of any secular organisation, permission is sometimes given by the Reverend Mother for the whole community to use the intercession leaflet.

The annual subscriptions for Communities Guild members are paid by sponsorship from Guilds or individual members. Contributions can be sent, to be received in January by the Communities Guild Secretary at the Trefoil Guild Office in London. Cheques should be made payable to 'The Trefoil Guild'.

The Communities Guild Secretary is grateful to hear of any new sponsors at any time. Sponsors are encouraged to write to their Sisters, who very much value this contact, though they may not be allowed to reply.

The Travellers' Guild

- are you planning to live abroad?
- has a member of your Guild gone to work or live abroad?

The Travellers' Guild is a postal Guild, spread all over the world, made up of members who have gone overseas. It is administered by the International Correspondent who may be contacted at the Trefoil Guild Office at CHQ.

Members receive *The Trefoil* and a newsletter to keep them in touch with Guild events, both British and International.
